John 2:13-22 - KJV Write-In Workbook

OBSERVE • COMPARE • EXPLAIN • APPLY

A Fantasticamos investigation workbook

MISSION 1

Observe the passage

Study the scene, then answer from John 2:13-22.

Where did Jesus go?

What did He see?

What did Jesus do?

What did Jesus say?

MISSION 2

Action detective

Look for visible action clues: tables, coins, animals, people, and Jesus' posture.

Describe what Jesus did in your own words:

Which detail proves this was more than a cleaning lesson?

What did Jesus mean?

“MY FATHER'S HOUSE”

Write what this phrase tells you about Jesus and the temple.

Why is “house of merchandise” important?

What would be a modern application - not a historical detail?

MISSION 4

Understand zeal

John 2:17 KJV - “The zeal of thine house hath eaten me up.”

Use the picture and passage to explain how zeal differs from uncontrolled anger.

Resurrection investigator

Jesus says “this temple,” then John explains He spoke of His body.

What happens after “Destroy this temple”?

Why would the disciples remember this after Jesus rose?

Text vs. application

HISTORY - What John records

APPLICATION - What our family may practice

One sentence that keeps the difference clear:

FINAL BOSS

Explain the whole passage clearly

Complete this final response without turning the story into a housekeeping lesson.

1. What happened?

2. Why did Jesus act?

3. What sign points to the resurrection?
