

THE GREASTET TREASURE

Hi, friends! It's ME-Alice!

Today we're going on the
greatest treasure hunt ever.

Not for gold. Not for diamonds.

Not even for rainbow slime.

(Though that would be cool.)

We're hunting for something WAY better...

True treasure from Bible! ✨

So strap on your backpack, grab your snacks,
and get ready to join us on every step of
the adventure.

YOU are officially
part of the
treasure team!

🌟 Let's Go, Treasure Team!

Hi there! I'm Alice—and this is Mr. Fluffernutter! 🐰❤️

He's wiggling his ears because he's so excited!

Today, we're going on a super special treasure hunt—not for gold or glittery slime (even though that sounds fun)...

We're looking for the best kind of treasure—the kind that fills your heart with joy and God's love!

So grab your backpack, pack a snack, and come along—

Because YOU are part of our treasure team now! 📖🌟

Let's dive into 1 Timothy 6 and follow Paul's map to true treasure!

Level 1

RESPECT IS A SUPERPOWER!

“Kindness is like
sunscreen-it protects
everyone, especially
when it’s hot!”

Level 1: RESPECT IS A SUPERPOWER! ✨

Paul tells Timothy, "Be respectful—even when it's hard!"

Respect means treating people kindly—even if they're being a bit grumpy-mumpy.

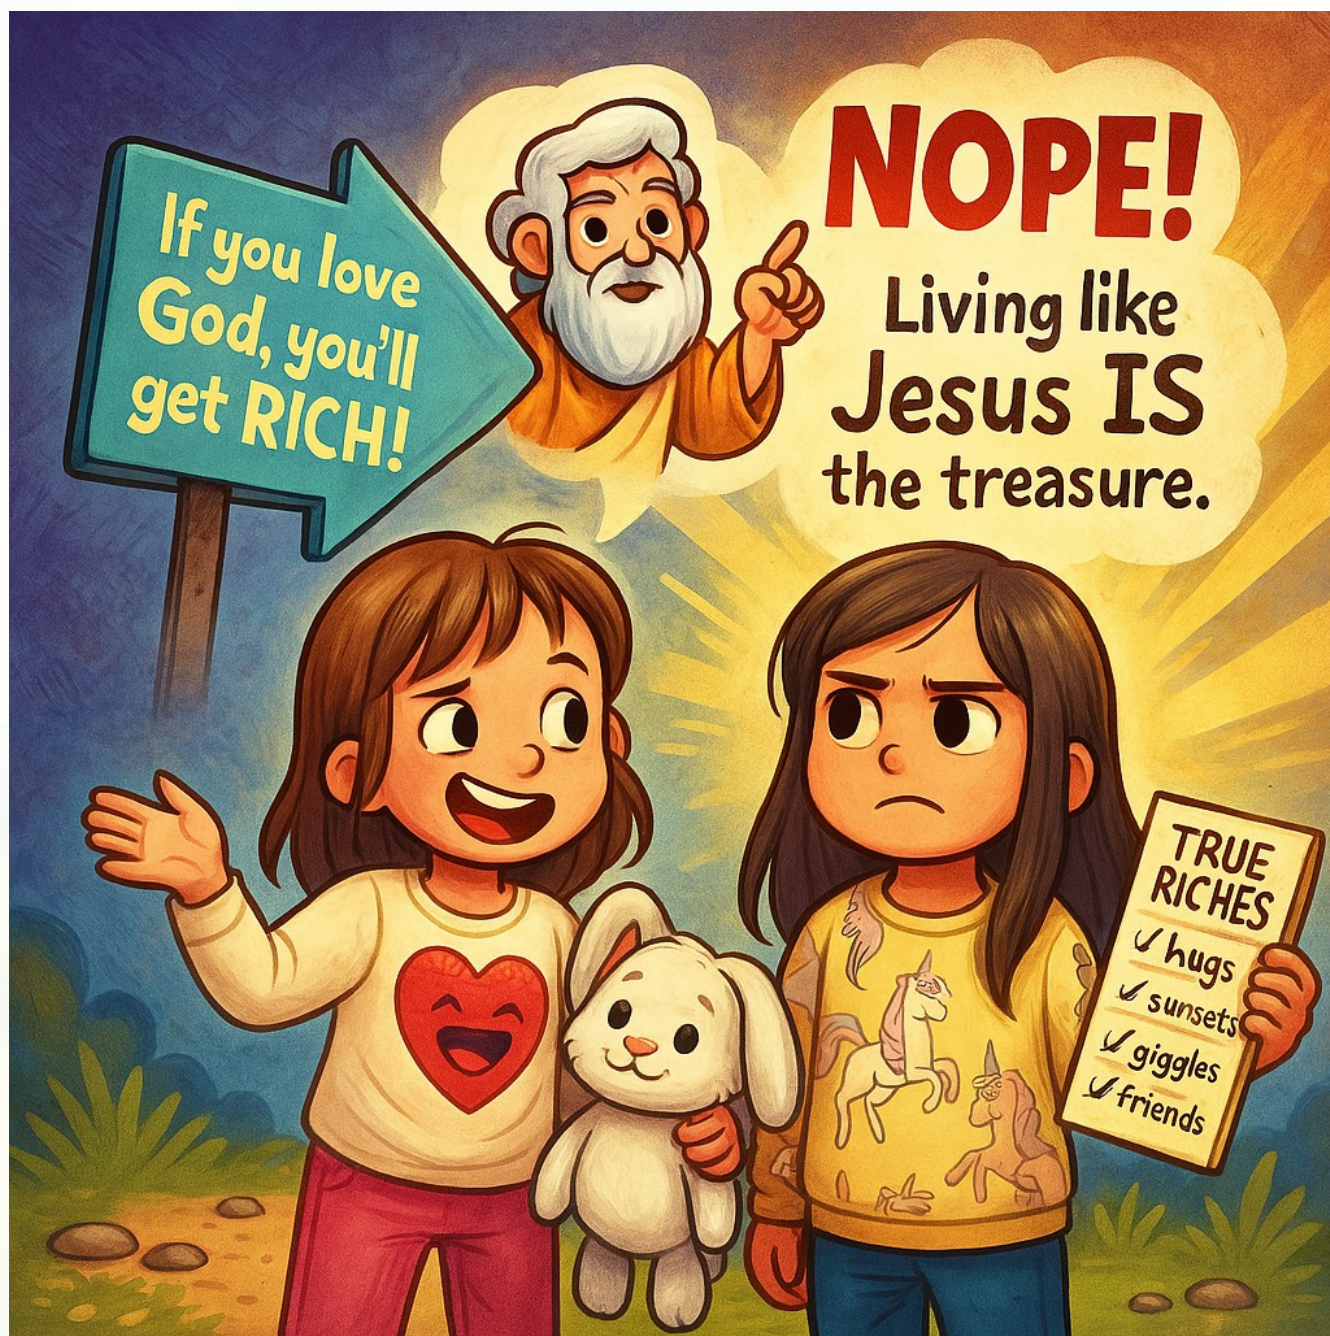

Even if they steal the last waffle. 🍪 😲

Yaya always says,

"Kindness is like sunscreen—it protects everyone, especially when it's hot!" 🌸 🌻

Mission for Level 1: Say something kind to someone who looks like they need a hug—even if they don't say it first.

Level 2: BEWARE OF SNEAKY TWISTY WORDS

Paul warns about people who say weird things like, "If you love God, you'll get RICH!" 💰🚫 Have you ever seen a commercial that promises, "Buy this toy and you'll be the happiest kid ever!"? That's kind of the same idea—trying to trick us into thinking stuff will make our hearts full. But Paul says, nope! That's not how God works.

Uhhh... what? NOPE!

Paul says, "Living like Jesus *IS* the treasure."

That means helping others, trusting God, and not needing a golden jet ski. (Even though Fluffernutter still wants one.)

💡 **Fun Fact:** True riches can't rust, break, or get stolen. They live in your heart!

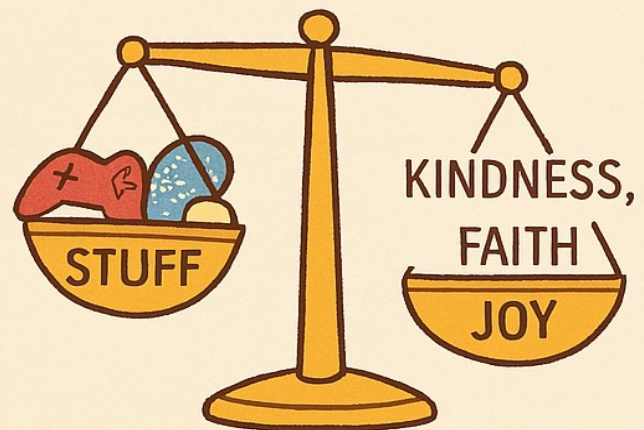

🎯 **Mission for Level 2:** Make a list of what you love that money *can't* buy (like hugs, sunsets, giggles, or your best friend's weird dance moves).

Level 3: GODLINESS + CONTENTMENT = BOOM

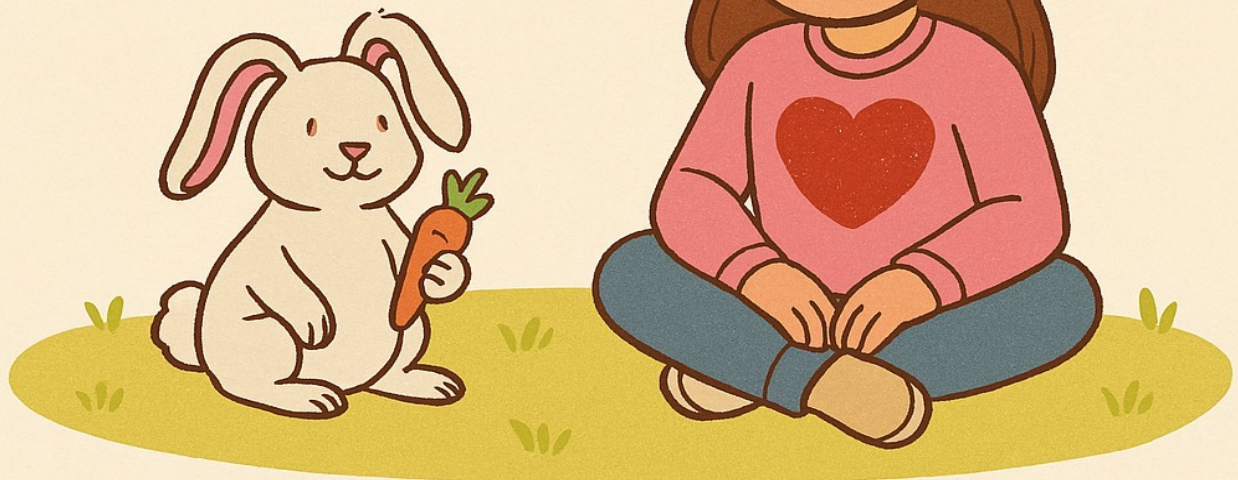

Here's the golden formula:

- Ingredients for a Happy Heart:
- 1 scoop of Godliness
 - 2 spoonfuls of Thankfulness
 - Mix with a big smile of Contentment!
- Bake daily in God's love and enjoy forever!

Godliness + Contentment = Great Gain!

I have a cozy nap spot and a carrot. Life = perfect.

Level 3: GODLINESS + CONTENTMENT = BOOM! 💖

Here's the golden formula:

"Godliness + Contentment = Great Gain!"

Imagine a recipe card pinned to your fridge that says:

 *Ingredients for a Happy Heart:*

- 1 scoop of Godliness
- 2 spoonfuls of Thankfulness
- Mix with a big smile of Contentment! Bake daily in God's love and enjoy forever!

Fluffernutter says,

"I have a cozy nap spot and a carrot. Life = perfect." 🐰 🥕

 **Mission for Level 3:** Write down 5 things you're super-duper thankful for—and decorate it with sparkles, doodles, or googly eyes!

When Money Became the Boss... and How Jesus Fixed It!

Level 4: DON'T LET MONEY BOSS YOU AROUND

Paul says:

"The love of money is the root of ALL KINDS of evil."

WHOA! ⚠

It's okay to have money—but NOT okay to love it so much you forget what *really* matters.

Sometimes people work so much to get stuff, they miss:

- Bedtime stories
- Playing outside
- Pizza nights
- Their little sister's turtle dance 🐢💃

🎯 **Mission for Level 4:** Draw a comic called "When Money Became the Boss... and How Jesus Fixed It!" (Bonus: Give money a mustache.)

LEVEL 5: FIGHT THE GOODD FIGHT OF FAITH!

 **MISSION FOR LEVEL 5:** Make a "Faith Shield" with paper, markers, and stickers. Write down three ways you can keep trusting God—even on tricky days.

Level 5: FIGHT THE GOOD FIGHT (OF FAITH!)

Not with swords or yelling... but with:

- PATIENCE
- KINDNESS
- FAITH
- PEACEFUL HUGS

Paul tells Timothy to *keep going*, even when it's hard—because following Jesus is like leveling up in the best video game ever!

Fluffernutter says,

“Faith is like a flashlight in a cave. You don’t need to see the whole map—you just need to trust the light.”

 **Mission for Level 5:** Make a “Faith Shield” with paper, markers, and stickers. Write down three ways you can keep trusting God—even on tricky days.

🏆 FINAL LEVEL: THE REAL KING 🍌

Paul ends with an epic line:

"God is the King of kings! He lives in light we can't even imagine!" 💡💛

No crown on Earth can beat HIS.

He's not just rich—He's *forever* rich in love, peace, and power.

And He loves YOU more than words (or marshmallows) can say.

🎯 **Final Mission:** Write a prayer or draw a picture thanking God for being your forever treasure. Put it somewhere you'll see every day!

ALICE'S FINAL THOUGHTS

We went through 5 Bible treasure levels. Which one was your favorite, and why? Was it the level of kindness? Contentment? *Fighting the good fight*? Take a moment to think about which treasure God is growing in your heart right now!

We dodged the love-of-money trap.
We discovered that God's love is better than glitter, pancakes, AND bouncy castles combined.

- Kindness > cash
- Peace > prizes
- Jesus > everything 🙏

And we're not just kids...

We're kingdom treasure hunters.

We're faith warriors.

We're contentment champions.

Treasure isn't always shiny,
Sometimes it just feels like home.
